Introducing the VA Blue Button

What is the Blue Button?

The **Blue Button** is a new tool on My HealtheVet (www.myhealth.va.gov). It allows easy access to your personal health information.

You can view, print, download, or save your information already in My HealtheVet. You can also share this information with your health care team, caregivers, or others.

How do you use the Blue Button?

- Log on to My HealtheVet (myhealth.va.gov).
- Select the **Blue Button**.
- Select the personal health information you want from your My HealtheVet account and click the **Continue** button.
- Select **Download** to have the information saved to a safe location on your computer, a compact disc (CD), or thumb drive.
- Select **View, Print** to see your information and then print it.

The VA Blue Button: –

It's quick, it's easy, and it's for you!
